"SINCE WE HAVE THE ROAD, WE SHOULD LOOK ON OTHER DEVELOPMENT TO COMPLIMENT THE ROAD" *Acting Prime Minister, Sato Kilman*

"Re-invest again" *Sato Kilman*

Shefa President sope assured the Government and the Directors of MCA and MCC that his province would use its royalties to;

- Strengthen the physical planning zone and property tax unit
- Strengthen capacity building of area council and provincial government staff to be recognise
- identify and address the needs of communities in the province in order to improve the livelihood of their people
- complete road side markets around Efate and its offshore islands under the management of the women as well as tourism amenities
- Upgrade and strengthen the program for Shefa village health workers and Shefa pre-school program
- help chiefs to re-establish village area and island tribunals in Shefa and to maintain stability, peace and harmony to encourage investors, developers, NGO's and Government agencies to help shefa go forward

President of Sanma Province, Joe Bob delivering his speech

President of Shefa Province, Lami Sope delivering his speech

Like his counterpart, President of Sanma province, thank the USA government and Vanuatu government and also deliver his plans on the use of the money. The money received will be used to;

- Maintain and build feeder roads from the main roads to villages with the assistance from the Government and Department of Public Works Department
- foster reform in Sanma Provincial Council
- Erection of new buildings for offices

He said " Sanma people would like to acknowledge the Government of USA, Vanuatu Government through the Ministry of Finance and Treasury, MCC and MCA to list Santo island as part of the project fund".
He personally, thank the MCA Director, Johnson Wobabaiat for mediating issues between Sanma Province and the MCA-Vanuatu. Lastly, he thank Shefa Province for hosting the ceremony and Almighty God for his blessings.
The Secretary General of Sanma province added that the fund will help to facilitate the process of sustainable development in the area of tourism and council reform programs

MCC MCA-Vanuatu Government of Vanuatu
